For more details on crime in your area please visit: [www.police.uk](http://www.police.uk). Enter a postcode to see the ‘crime map’ for the local area.

\*ASB is not defined as ‘crime’ however it has been included in this table for your information as it can affect the wider community and we (police) are jointly responsible with local councils for dealing with it. Recordable ASB includes neighbour disputes, noise nuisance and fly tipping etc.

**The figure now provided includes all ASB – environmental, nuisance and personal.**

Please note that there has been a change in the way burglary offences are recorded nationally. They are now classified as:

**Burglary Residential** – all buildings within the boundaries of a property, including sheds and garages

**Burglary Business and Community** – buildings that are solely for business purposes or are otherwise outside the classification of residential burglary, such as a sports club or place of worship.

### Details

During December we had an outbuilding broken into on a farm and tools stolen.

### Other News and events

Happy New Year I hope you have had a good festive season.

Please can I remind you to still be vigilant and to remember to security mark any new items you may have received for Christmas. You can then register this information and product serial numbers on [www.immobilise.com](http://www.immobilise.com).

With this cold weather upon us please remember to keep an eye on any elderly or vulnerable residents nearby. Make sure if it’s snowy or icy that they are able to get coal or logs and are ok for food provisions if you are popping to the shops to get items for yourself.

Take care on icy roads and defrost your car properly before setting off on your journey and make sure all of your lights are working and that you use them. Try and leave a bit earlier so you do not have to rush. Remember that just because you are in a 4x4 does not make you invincible from skidding on ice or snow.
