

Cottered and Throcking – September 2017

Offence	No. In Parish	No. in East Herts
Burglary Residential	0	49
Burglary Business and Community	0	26
Criminal Damage	0	114
Vehicle Crime	2	75
Anti-Social Behaviour*	0	255

For more details on crime in your area please visit: www.police.uk. Enter a postcode to see the ‘crime map’ for the local area.

*ASB is not defined as ‘crime’ however it has been included in this table for your information as it can affect the wider community and we (police) are jointly responsible with local councils for dealing with it. Recordable ASB includes neighbour disputes, noise nuisance and fly tipping etc.

The figure now provided includes all ASB – environmental, nuisance and personal.

Please note that there has been a change in the way burglary offences are recorded nationally. They are now classified as:

Burglary Residential – all buildings within the boundaries of a property, including sheds and garages

Burglary Business and Community – buildings that are solely for business purposes or are otherwise outside the classification of residential burglary, such as a sports club or place of worship.

Other News and events

We are warning drivers to be extra vigilant and keep an eye out for deer running out into the road during rush hour traffic.

Autumn is mating the season for fallow deer and the males can travel several miles a day in search of a mate, often crossing roads in the process.

Please drive a little slower, especially on country roads, in case the animals suddenly step out in front of your vehicle. A male deer can cause a huge amount of damage should you hit one, as well as causing serious accidents as motorists try and avoid the hazard.

The most common time of the day for the male fallow deer to roam is at dawn and dusk, which coincides with morning and evening rush-hour during September and October.

We are also now into the hare coursing season. Please be vigilant and report any suspicious activity on farm land on 101 or 999 if you believe a crime is in progress.

This month two vehicles have had their tyres damaged in the road leading to Peascroft. Both were done at different times so are not being linked at this time.
